Results are a key factor in determining nominee eligibility for an Award. Considerations vary by category. Some criteria follows: Overall: several years, or roles and well established mark on the community confirmed with other recognition, press releases, customer feedback or testimonials. Content: Identify New or improved programs benefiting from skills. Promotion: Outreach activities that get the word out – examples. Delivery: Evidence of behind the scene service/effort (Press, testimonials, Reports) Audience: Evidence of regular fan mail, audience dialogue or special 'get the word out' or sponsorship/underwriting for a community access cable program that 'makes a difference.'
