Re: Retransmission Consent for Station KXXX (the "Station")

Dear _____:

As you know, the FCC has interpreted the retransmission consent provisions of the 1992 Cable Act as applying to radio stations as well as to television stations. We presently include the Station's signal as part of ~~our the FM service package that~~ we provide to our customers and would like to continue providing it. Please send us the attached form granting ~~Comcast Corporation's affiliated cable systems~~ the Station's "consent" to continue providing the Station as part of our ~~cable service FM package in the _____ system~~ for the current period until December 31, 2005. The form also provides for an automatic renewal. Please forward the executed consent to me on or before May 1, 2004.

Should you have any questions, please feel free to contact me directly at (XXX) XXX-XXXX.

Sincerely,
